Christina,  
I forgot to mention, that for the state call, let's aim for mid May if possible.

Hi Christina,  
Can you also help coordinate a conference call w/ the states? The purpose would be to give them an update on the pilot and to get their feedback on our label submission process for the pilot. Also, we'd like to see if there would be any way to expedite the approval of pilot labels in the states.

Please invite yourself, me, Linda, and Jai (Jessica rogala).

Here are the state contacts.
